Grants

- OFSM Wildland Grant Update:
 - The HKV Team worked **320 hours** in July!
 - Reached **112%** of Midway Grant Hours Goal!
- Continuing to work with Motorola to acquire grants for mobile radio repeaters for volunteer vehicles

Apparatus/Station

- The HKV team painted the interior of the station the 1st week of August - it looks amazing! Not only was an update needed, but now the team has a beautiful space to work, train, debrief and recuperate in.
